We want you
for
our team!

What we offer:

- A test-lab environment for managers and entrepreneurs
- Lots of opportunities to take decisions that matter
- A highly motivated and diverse team with various cultural and career backgrounds
- An innovative digital health product with many different paths to profitability
- Flat hierarchies and an open feedback culture where every voice matters
- Flexible working options with offices in the city of Munich.

What we are looking for:

- Sound technical and professional knowledge of social media tools, platforms and networks.
- Experience with content design and creation – willingness to take responsibility for digital communication, supporting and coordinating all social media activities
- Support us with the continuous development of our social media strategy
- Flexible attitude and motivation to anticipate issues and to do what needs to get done
- Fluent in German (external communication) and English (team language)
- Extra points if you have experience in the health care sector
